## Dartmouth Community Park.

The Department of Parks & Recreation, in partnership with the Dartmouth Public Libraries and the Dartmouth School Department, is developing a *community park for Dartmouth*. It will be constructed on the open, green space linking Southworth Library and Cushman School. **Phase I** includes a community-access loop, reading areas and walking paths that are almost complete and **Phase II** will include 3 age-appropriate & wheelchair-accessible playground areas, benches, picnic tables, lighting & landscaping.
