**The Role of the Harbor Management Plan Implementation Committee:**

Our Committee has been appointed by the Town of Dartmouth Select Board to help facilitate the implementation of the new Padanaram Harbor Management Plan. Our role is to engage, discuss and understand, from all the stakeholders in Town, any impediments or issues in implementing this detailed multifaceted document. While we are tasked with addressing the goals and objectives set forth in the Harbor Plan, we do not set policy for others. Instead, we hope to engage others as a team to identify issues and strategies.
