ARCHITECTURAL DESCRIPTION:

This was apparently a small early 1-story Cape Cod with a wing, later modified into the present 1-1/2 story structure. The front wall was extended forward and a large front gable wall dormer was added. The structure has replacement vinyl windows and siding. The gables have extended cornices. There is a single exterior brick chimney located on the right side of the building. The main structure rests on a stone foundation; the front addition is on a concrete block foundation.
