ARCHITECTURAL DESCRIPTION:

This is a 1-1/2 story rectangular plan side gabled structure with a 1-story shed roof addition on the back of the structure extending across and beyond the main block on the left side. On the right side of the rear shed addition there is a second 1-story shed addition with an entrance located on the front side. The front façade is symmetrical with a centered entrance flanked by two windows, all with simple flat-board trim. The door and front 1/1 windows are modern replacements. There is a single wood 2/2 window in the right gable. There is a brick chimney located in the back addition and an exterior chimney clad in shingles located on the right side of the main block. The structure is shingled with the main block resting on a stone foundation.
