

**TOWN OF DARTMOUTH
DEPARTMENT OF PUBLIC WORKS**

Permit Fee \$ 50.00

Paid ___/___/___

**PERMIT FOR R.O.W. DISTURBANCE
(Non-Pavement Areas & Driveway Curb Cuts)**

(Please type or print neatly.)

_____ (Applicant) hereby make application for a permit to obstruct

_____ (Address)

and disturb curbing within the Town layout for the purpose of _____.
Work will begin (weather permitting) on _____, 20____. It is estimated that the surface will be
obstructed from _____ a.m./p.m. to _____ a.m./p.m. for _____ days from and after permit is granted
and worked is commenced.

The applicant agrees that a suitable barrier shall be put and at all times kept around the section or parts of the public way so disturbed, so long as the same shall be or remain unsafe, and that the barrier shall be sufficiently lighted by one or more lanterns fixed to such barrier or in some other proper manner every night from twilight in the evening, and through the whole night, so long as such barrier shall be kept standing; and it is further agreed that the Town shall be held harmless from all damage, costs, or expense, on account of any injury to persons or property, which is due to anything done under the authority of the permit, it is further agreed that upon verbal or written notice to the applicant that the disturbed surface is in disrepair, the applicant shall within a reasonable time as established by the Town, make repair to the disturbed surface.

Issuance of such a permit is conditional upon the applicant submitting a detailed sketch (8 1/2" x 11") of the proposed work, which shall be reviewed and approved by the Director of Public Works or his designee. All work in the public way must be conducted by a licensed utility layer and inspected by a Town Associate Engineer/Inspector.
